Strengthening the nonprofit community

Services for Land Trusts

Executive Service Corps has experience working with environmental organizations including land trusts. Issues that we have addressed are

- How do you estimate your market potential?
- How does your fundraising compare with other land trusts?
- How are you perceived in your community?
- How can you attract new/renew former members?
- How can you attract more individuals who want to protect their land?
- How can you sharpen your strategic focus?

**If your organization is currently addressing similar issues,
I encourage you to contact us for a FREE CONSULTATION VISIT.**

We will meet with you to assess your organization's needs and recommend a plan that can be achieved at a very reasonable fee. The Executive Service Corps' sole mission is to provide affordable services that help nonprofits grow and succeed. Our consultants are retired executives and professionals with proven records of success in nonprofit and for-profit management. They have the specific skills necessary to target areas for improvement and develop strategies to help you achieve your objectives.
